

Fork Mounted Sweeper

Fork Mounted Sweeper - This accessory makes industrial sweeping tasks much easier to finish. The versatile lift truck mounted broom is designed for use with either wet or dry material clean ups. It can squeegee water and push snow with no trouble. This attachment is often used so as to clean trash from docks, parking lots, warehouses, construction sites and practically everywhere it is considered necessary. The lift truck sweeper is a low maintenance attachment that utilizes quick-tie tine products to effortlessly attach to the forklift.
